Natalie Reynolds  
Company Secretary  
FSC Australia

Dear Natalie,

As a result of the current challenges faced by ABP in regards to the suspension of its FSC certification, I have decided to tender my resignation from the board of FSC Australia.

I and the ABP team need to focus our attention on the corrective actions identified in the recent Complaint Investigation Audit conducted by Rainforest Alliance and on seeking their immediate resolution.

Given this imperative, it is important we do not have any distractions relating to my position on the board and I am sure FSC Australia feels the same way.

With that understanding in place, I would like to reiterate that ABP is absolutely committed to rectifying any and all shortcomings identified in the audit as soon as possible.

We intend to demonstrate through our actions and stakeholder engagement that ABP is justified in having our FSC certification reinstated.

We look forward to FSC Australia's continuing support in that regard.

Yours sincerely
